## TIGER 21 Forms Strategic Partnership with Crown Global Insurance Group

*High Net Worth Investor Group will have priority access to Crown's specialized insurance and annuity services and expertise.*

**New York, NY, May 2, 2012** – **TIGER 21**, the premier learning group for high net worth investors, and **Crown Global Insurance Group, LLC**, have formed a strategic partnership to allow Members priority access to Crown's specialized private placement variable life insurance and annuity expertise.

As part of the partnership, Crown Global Insurance Group's team will educate and assist TIGER 21 Members in maximizing returns on their investment portfolios through the utilization of innovative insurance products and strategies. Additionally, Crown is developing a select group benefit program that will be exclusive to TIGER 21 Members.

"We are pleased to be able to offer our Members this special benefit. Crown Global Insurance's team has an in-depth understanding of the highly sophisticated private placement insurance space and TIGER 21 Members will now be able to utilize Crown's expertise," said **Jonathan Kempner**, President of TIGER 21. "This is just one of several new Member benefits that we plan on introducing in the coming months."

"The Crown team is staffed with seasoned professionals who are known for their experience, wealth planning skills and integrity," said **Perry Lerner**, Director of Crown Global Insurance. "In addition, we utilize the world's most trusted asset managers and custodians for our insurance account assets. This permits a client to couple the benefit of traditional insurance products with exceptional account and fund managers," he added.

TIGER 21, an acronym for The Investment Group for Enhanced Results in the 21st Century, harnesses the collective intelligence of the super-affluent, who meet monthly in groups of 10 to 14 people to exchange investment ideas and share personal experiences on a broad range of wealth-related issues. Frequent topics include wealth preservation, issues of wealth transference, and investment strategies, as well as family dynamics influenced by wealth.
