

Crown Global's Riccardo Gambineri to Speak at Vie International's Private Placement Life Insurance Conference in London

Mr. Gambineri will discuss income enhancement and wealth transfer with US/UK dual compliant life insurance

NEW YORK – September X, 2018 – [Crown Global Insurance Group LLC](#), a leading provider of investment-enhancing solutions for ultra-high net worth individuals and institutional investors, announced today that Senior Vice President Riccardo Gambineri will deliver a presentation on “Income enhancement and wealth transfer with US/UK dual compliant life insurance” at Vie International's Private Placement Conference 2018 in London on September 20th.

“Investors are facing new challenges following recent tax legislation in the US, as well as uncertainty around the potential consequences of Brexit in the UK,” said Gambineri. “I will discuss how ultra-high-net-worth individuals can use US/UK dual compliant life insurance to maximize their tax efficiency as well as access non-US investment funds and tax-deferred compounding of investment gains.”

Properly structured, a dual US/UK compliant private placement life insurance (PPLI) policy can provide tax-deferred growth, enhanced asset protection and liquidity to heirs when it matters most.

Vie International's Private Placement Conference 2018 is for professional advisors; there is no charge to attend.
